Dear Mayor Tookey,

Paula Schmittdiel, the EPA's Upper Animas Remedial Program Manager, and I will be in Silverton next week. Since we weren't able to meet with you in June, we were hoping that you might be available Monday afternoon, July 21 (after 2:00 pm), Tuesday morning, July 22, or any time Thursday, July 24, for a short meeting. We could also meet in the evening on Monday or Wednesday, if that would be more convenient. When we meet, we would like to introduce ourselves to you and learn more about the community.

If you are free any of the times I mentioned, please let me know, and we can set up a time to meet.

Best regards,  
Cynthia Peterson

Mayor Tookey,

Thank you for getting back to me. We will look for another opportunity to meet with you in the future.

Best regards,  
Cynthia
